Presents

NOCHE DE CIENCIAS

Inquire. Innovate. Inspire.

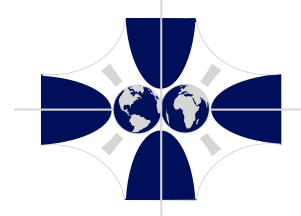

CSULB's SHPE 9th Annual Noche de Ciencias

Friday, October 9th, 2020

Washington Elementary School – 6:00 p.m. to 8:00 p.m.

Noche de Ciencias is a national initiative to promote knowledge and interest in Science, Technology, Engineering and Math (STEM) amongst the under-represented community. CSULB's Society of Hispanic Professional Engineers Noche de Ciencias will consist of two tracks- one for students and one for parents. The students will participate in at least three hands-on STEM activities and a SHPE student panel. The parents will participate in college preparatory and financial literacy workshops, a STEM activity and a SHPE professional panel. There will also be a raffle of various prizes at the very end, so don't miss out!
